ARTICLE VI

APPLICATION OF REVENUES

Section 601. Revenue Fund. The City covenants and agrees that from and after the delivery of the Bonds, and continuing as long as any of the Bonds remain Outstanding hereunder, all of the Revenues shall as and when received be paid and deposited into the Revenue Fund unless otherwise specifically provided in this Ordinance. Said Revenues shall be segregated and kept separate and apart from all other moneys, revenues, funds and accounts of the City and shall not be commingled with any other moneys, revenues, funds and accounts of the City. The Revenue Fund shall be administered and applied solely for the purposes and in the manner provided in this Ordinance.

Section 602. Application of Moneys in Funds and Accounts. The City covenants and agrees that from and after the delivery of the Bonds and continuing so long as any of the Bonds shall remain Outstanding, it will on the first day of each month administer and allocate all of the moneys then held in the Revenue Fund as follows:

(a) **Operation and Maintenance Account.** There shall first be paid and credited to the Operation and Maintenance Account an amount sufficient to pay the estimated Expenses during the ensuing month. All amounts paid and credited to the Operation and Maintenance Account shall be expended and used by the City solely for the purpose of paying the Expenses of the System.

(b) **Debt Service Account.** There shall next be paid and credited monthly to the Debt Service Account, to the extent necessary to meet on each Bond Payment Date the payment of all interest on and principal of the Bonds due and payable, beginning with the first of said monthly deposits and continuing on the first day of each month thereafter so long as the Bonds remain Outstanding and unpaid, an amount not less than 1/12 of the amount of principal and interest that will become due on the Bonds on the next succeeding Bond Payment Date.

The amounts required to be paid and credited to the Debt Service Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service accounts established for the payment of principal and interest on Parity Bonds under the provisions of the Parity Ordinances.

Any Subsidy Payments received by the City and applied to debt service or amounts deposited in the Debt Service Account as accrued interest or as capitalized interest in accordance with **Section 502(a)** hereof shall be credited against the City's payment obligations as set forth in this subsection (b) of this Section.

All amounts paid and credited to the Debt Service Account shall be expended and used by the City for the sole purpose of paying (i) the interest on and principal of the Bonds as and when the same become due, and (ii) not more than twenty-four (24) months' interest on advance construction loans made by the Purchaser of the Bonds prior to their delivery to the Purchaser and the receipt of full payment of the purchase price by the City.

If at any time the moneys in the Revenue Fund are insufficient to make in full the payments and credits at the time required to be made to the Debt Service Account and to the debt service accounts established to pay the principal of and interest on any Parity Bonds, the available moneys in the Revenue Fund shall be divided among such debt service accounts in proportion to the respective principal amounts of said series of bonds at the time outstanding which are payable from the moneys in said debt service accounts.

(c) **Debt Service Reserve Account.** There shall next be paid and credited to the Debt Service Reserve Account the sum of $574.00 each month until the amount on deposit in said Account aggregates the Debt Service Reserve Requirement. Except as hereinafter provided in this Section, all amounts paid and credited to the Debt Service Reserve Account shall be expended and used by the City solely to prevent any default in the payment of interest on or principal of the Bonds on any Maturity Date or Interest Payment Date if the moneys in the Debt Service Account are insufficient to pay the interest on or principal of said Bonds as they become

due. So long as the Debt Service Reserve Account aggregates the Debt Service Reserve Requirement, no further payments into said Account shall be required, but if the City is ever required to expend and use a part of the moneys in said Account for the purpose herein authorized and such expenditure reduces the amount of said Account below the Debt Service Reserve Requirement, the City shall resume and continue said monthly payments into said Account until said Account shall again aggregate the Debt Service Reserve Requirement.

The amounts required to be paid and credited to the Debt Service Reserve Account pursuant to this Section shall be made at the same time and on a parity with the amounts at the time required to be paid and credited to the debt service reserve accounts established for the Parity Bonds under the provisions of the Parity Ordinances.

Moneys in the Debt Service Reserve Account may be used to call the Bonds for redemption and payment prior to their Stated Maturity, provided all of the Bonds at the time Outstanding are called for payment and funds are available to pay the same according to their terms. Moneys in the Debt Service Reserve Account shall be used to pay and retire the last Outstanding Bonds unless such Bonds and all interest thereon are otherwise paid. Any amounts in the Debt Service Reserve Account in excess of the Debt Service Reserve Requirement on any valuation date shall be transferred (i) during the period of acquisition and construction of the Project, to the Project Fund, and (ii) after such construction period, to the Revenue Fund.

If at any time the moneys in the Revenue Fund are insufficient to make in full the payments and credits at the time required to be made to the Debt Service Reserve Account and to the debt service reserve accounts established to protect the payment of any Parity Bonds, the available moneys in the Revenue Fund shall be divided among such debt service reserve accounts in proportion to the respective principal amounts of said series of bonds at the time outstanding which are payable from the moneys in such debt service reserve accounts.

(d) **Depreciation and Replacement Account.** After all payments and credits required at the time to be made under (1) the provisions of paragraphs (a), (b) and (c) of this Section and (2) the provisions of Ordinances of the City authorizing additional System Revenue Bonds relating to payments required to be made to debt service accounts and debt service reserve accounts for additional System Revenue Bonds have been made, there shall next be paid and credited to the Depreciation and Replacement Account the amounts required to be so paid and credited by the Previously Issued Parity Ordinances and, in addition thereto, the amount of $574.00 each month so long as any of the Bonds remain outstanding. Except as hereinafter provided in **Section 603**, moneys in the Depreciation and Replacement Account shall be expended and used by the City, if no other funds are available therefor, solely (i) for the purpose of making unusual or extraordinary replacements and repairs in and to the System as may be necessary to keep the System in good repair and working order and to assure the continued effective and efficient operation thereof, including replacing or repairing portions of the System or major items of any plant or equipment which either have been fully depreciated and are worn out or have become inefficient, uneconomical or obsolete, or (ii) for the purpose of extending and improving the System.

(e) **Surplus Account.** After all payments and credits required at the time to be made under the provisions of paragraphs (a), (b), (c) and (d) of this Section have been made, all moneys remaining in the Revenue Fund shall be paid and credited to the Surplus Account. Moneys in the Surplus Account shall be expended and disbursed as follows:

(1) First, so long as either the balance on hand in the Debt Service Reserve Account is less than the Debt Service Reserve Requirement or the balance on hand in the debt service reserve account for any issue of Parity Bonds is less than the debt service reserve requirement for such issue of Parity Bonds, all moneys in the Surplus Account shall be allocated to the Debt Service Reserve Account and the debt service reserve accounts for Parity Bonds in proportion to the original principal amount of the Bonds and of each issue of Parity Bonds, respectively. In no event, however, shall either (i) the balance on hand in the Debt Service Reserve Account exceed the Debt Service Reserve Requirement or (ii) the balance on hand in the debt service reserve account for any issue of Parity Bonds exceed the debt service reserve requirement for such issue of Parity Bonds.

(2) Second, so long as the balance on hand in the debt service reserve account for any issue of junior lien System Revenue Bonds is less than the debt service reserve requirement for such issue of junior lien System Revenue Bonds, all moneys in the Surplus Account shall be allocated to the debt service reserve account(s) for each issue of junior lien System Revenue Bonds according to the Ordinance(s) of the City authorizing each issue of junior lien System Revenue Bonds. In no event, however, shall the balance on hand in the debt service reserve account for any issue of junior lien System Revenue Bonds exceed the debt service requirement for such issue of junior lien System Revenue Bonds.

(3) Third, after subparagraphs (1) and (2) have been complied with, in any month in which the payment and credit to the Depreciation and Replacement Account is less than the amount required to be so paid by paragraph (d) of this Section (the "Total Monthly Depreciation and Replacement Account Deposit"), all moneys in the Surplus Account shall be used to make a transfer to the Depreciation and Replacement Account in the amount required to make up the deficiency in the Total Monthly Depreciation and Replacement Account Deposit for said month.

(4) Fourth, after subparagraphs (1), (2) and (3) have been complied with, moneys in the Surplus Account may be expended and used for the following purposes as determined by the governing body of the City:

(i) Paying Expenses of the System to the extent that may be necessary after the application of the moneys held in the Operation and Maintenance Account under the provisions of paragraph (a) of this Section;

(ii) Paying the cost of extending, enlarging or improving the System;

(iii) Preventing default in, anticipating payments into or increasing the amounts in the debt service accounts or the debt service reserve accounts for System Revenue Bonds or in the Depreciation and Replacement Account, or any one of them, or establishing or increasing the amount of any debt service account or debt service reserve account created by the City for the payment of any additional System Revenue Bonds; or

(iv) Calling, redeeming and paying prior to Stated Maturity, or, at the option of the City, purchasing in the open market at the best price obtainable not exceeding the redemption price (if any bonds are callable), the Bonds or any other System Revenue Bonds, or portions thereof, including principal, interest and redemption premium, if any; provided, however, that so long as any of the Bonds are owned or insured by the Purchaser, no moneys in the Surplus Account shall be used to redeem or purchase any other System Revenue Bonds without the written consent of the Purchaser.

(f) **Deficiency of Payments into Funds and Accounts.** If at any time the Revenues are insufficient to make any payment on the date or dates hereinbefore specified, the City will make good the amount of such deficiency by making additional payments or credits out of the first available Revenues thereafter received, such payments and credits being made and applied in the order hereinbefore specified in this Section.

Section 603. Transfer of Funds to Paying Agent. The Treasurer or other authorized officer of the City is hereby authorized and directed to withdraw from the Debt Service Account, and, to the extent necessary to prevent a default in the payment of either principal of or interest on the Bonds, from the Debt Service Reserve Account, the Surplus Account and the Depreciation and Replacement Account as provided in **Section 602** hereof, sums sufficient to pay the principal of and interest on the Bonds as and when the same become due on any Bond Payment Date, and to forward such sums to the Paying Agent in a manner which ensures the Paying Agent will have available funds in such amounts on or before the Business Day immediately preceding each Bond Payment Date. If, through lapse of time, or otherwise, the Registered Owners of Bonds are no longer entitled to enforce payment of their obligations, it shall be the duty of the Paying Agent forthwith to return said funds to the City. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

Section 604. Payments Due on Saturdays, Sundays and Holidays. In any case where a Bond Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Bond Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Bond Payment Date, and no interest shall accrue for the period after such Bond Payment Date.

Section 605. Nonpresentment of Bonds. If any Bond is not presented for payment when the final installment of principal thereof becomes due at Maturity, if funds sufficient to pay the final installment of principal of and interest on such Bond have been made available to the Paying Agent all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, said Bond. If any Bond is not presented for payment within four years following the date when the final installment of the principal of and interest on such Bond becomes due at Maturity, the Paying Agent shall repay to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

ARTICLE VII

DEPOSIT AND INVESTMENT OF MONEYS

Section 701. Deposit and Investment of Moneys.

(a) Money in each of the funds and accounts created by and referred to in this Ordinance shall be deposited in a bank or banks located in the State of Missouri that are members of the Federal Deposit Insurance Corporation. All such deposits shall be continuously and adequately secured by the banks holding such deposits as provided by the laws of the State of Missouri.

(b) Money held in any fund or account referred to in this Ordinance may be invested in Permitted Investments. No such investment shall be made for a period extending longer than the date when the money invested may be needed for the purpose for which such fund or account was created. All earnings on any investments held in any fund or account shall accrue to and become a part of the Revenue Fund; provided, however, that all earnings on investments held in the Debt Service Reserve Account shall accrue to and become a part of such Account until the amount on deposit in such Account shall aggregate the Debt Service Reserve Requirement, and thereafter, all such earnings shall be credited to the Revenue Fund. In determining the amount held in any fund or account under any of the provisions of this Ordinance, obligations shall be valued at the lower of the cost or the market value thereof; provided, however, that investments held in the Debt Service Reserve Account shall be valued at market value only. If and when the amount held in any fund or account shall be in excess of the amount required by the provisions of this Ordinance, the City shall direct that such excess be paid and credited to the Revenue Fund.

(c) So long as any of the Previously Issued Parity Bonds remain outstanding and unpaid, any investments made pursuant to this Section shall be subject to any restrictions in the Previously Issued Parity Ordinances with respect to the funds and accounts created or ratified by and referred to in the Previously Issued Parity Ordinances.

ARTICLE VIII

GENERAL COVENANTS AND PROVISIONS

The City covenants and agrees with each of the Registered Owners of any of the Bonds that so long as any of the Bonds remain Outstanding and unpaid it will comply with each of the following covenants:

Section 801. Corporate Existence; Efficient and Economical Operation; Sewerage System Connections to be Required. The City will maintain its corporate identity and existence so long as any of the Bonds remain Outstanding, unless another body corporate and politic by operation of law succeeds to the powers, privileges, rights, liabilities, disabilities and duties of the City and is obligated by law to comply with the terms and provisions of this Ordinance without materially adversely affecting at any time the privileges and rights of any Owner of any Outstanding Bond.

The City will continuously own and will operate the System as a revenue producing facility in an efficient and economical manner and will keep and maintain the same in good repair and working order. The City will establish and maintain such rules and regulations for the use of the System as may be necessary to assure maximum utilization and most efficient operation of the System.

The City will, to the extent permitted by law, require that the owners of all houses, buildings or properties used for human occupancy, employment, recreation or other purposes, situated within the City and abutting on any street, alley, or right-of-way in which there is now located or may in the future be located a public sanitary or combined sanitary and storm sewer of the City, must, at the owner's expense, install suitable toilet facilities therein and connect such facilities directly with the proper part of the System within such reasonable time and pursuant to such regulations as shall be provided by the City.

Section 802. Rate Covenant. The City in accordance with and subject to applicable legal requirements will fix, establish, maintain and collect such rates and charges for the use and services furnished by or through the System as will produce Revenues sufficient to (a) pay the Expenses of the System; (b) pay the principal of and interest on the Bonds as and when the same become due at the Maturity thereof or on any Interest Payment Date; and (c) provide reasonable and adequate reserves for the payment of the Bonds and the interest thereon and for the protection and benefit of the System as provided in this Ordinance. The City will require the prompt payment of accounts for service rendered by or through the System and will promptly take whatever action is legally permissible to enforce and collect delinquent charges. The City will, from time to time as often as necessary, in accordance with and subject to applicable legal requirements, revise the rates and charges aforesaid in such manner as may be necessary or proper so that the Revenues will be sufficient to cover the obligations under this Section and otherwise under the provisions of this Ordinance.

Section 803. Reasonable Charges for all Services. None of the facilities or services provided by the System will be furnished to any user (excepting the City itself) without a reasonable charge being made therefor. If the Revenues are at any time insufficient to pay the reasonable Expenses of the System and also to pay all interest on and principal of the Bonds as and when the same become due, then the City will thereafter pay into the Revenue Fund a fair and reasonable payment in accordance with effective applicable rates and charges for all services furnished to the City by the System, and such payments will continue so long as the same may be necessary in order to prevent or reduce the amount of any default in the payment of the interest on or principal of the Bonds.

The City will serve any applicant within the service area of the System who desires the services of the System and who can feasibly and legally be served. So long as any of the Bonds are owned or insured by the Purchaser, the City will obtain the concurrence of the Purchaser prior to refusing services to such applicant.

Section 804. Restrictions on Mortgage or Sale of System. The City will not mortgage, pledge or otherwise encumber the System or any part thereof, nor will it sell, lease or otherwise dispose of the System or any material part thereof; provided, however, the City may, but only with the consent of the Purchaser so long as any of the Bonds are owned or insured by the Purchaser:

(a) sell at fair market value any portion of the System which has been replaced by other similar property of at least equal value, or which ceases to be necessary for the efficient operation of the System, and in the event of sale, the City will apply the proceeds to either (1) redemption of Outstanding Bonds in accordance with the provisions governing repayment of

Bonds in advance of Stated Maturity, or (2) replacement of the property so disposed of by other property the revenues of which shall be incorporated into the Revenues as hereinbefore provided;

(b) cease to operate, abandon or otherwise dispose of any property which has become obsolete, nonproductive or otherwise unusable to the advantage of the City; or

(c) grant a security interest in equipment to be purchased with the proceeds of any loan, lease or other obligation undertaken in accordance with **Article IX** hereof.

Section 805. Insurance; Fidelity Bond Coverage. The City will carry and maintain insurance with respect to the System and its operations against such casualties, contingencies and risks (including but not limited to property and casualty, fire and extended coverage insurance upon all of the properties forming a part of the System insofar as the same are of an insurable nature, public liability, worker's compensation and employee dishonesty insurance), such insurance to be of the character and coverage and in such amounts as would normally be carried by other municipalities or public entities engaged in similar activities of comparable size and similarly situated. In the event of loss or damage, the City, with reasonable dispatch, will use the proceeds of such insurance in reconstructing and replacing the property damaged or destroyed, or in paying the claims on account of which such proceeds were received, or if such reconstruction or replacement is unnecessary or impracticable, then the City will pay and deposit the proceeds of such insurance into the Revenue Fund. The City will annually review the insurance it maintains with respect to the System to determine that it is customary and adequate to protect its property and operations. The cost of all insurance obtained pursuant to the requirements of this Section shall be paid as an Expense out of the Revenues.

All officers and employees of the City handling the funds and accounts of the System shall be bonded in each fiscal year in an amount not less than the total amount of principal and interest becoming due on all obligations of the City during the fiscal year or, so long as any of the Bonds are held or insured by the Purchaser, the amount required by the Purchaser.

As long as any of the Bonds are owned or insured by the Purchaser, the City will annually submit a report of its insurance and fidelity bond coverage to the Purchaser for review and approval.

Section 806. Books, Records and Accounts. The City will install and maintain proper books, records and accounts (entirely separate from all other records and accounts of the City) in which complete and correct entries will be made of all dealings and transactions of or in relation to the System. Such accounts shall show the amount of Revenues received from the System, the application of such Revenues, and all financial transactions in connection therewith. Said books shall be kept by the City according to standard accounting practices as applicable to the operation of facilities comparable to the System.

Section 807. Annual Budget. Prior to the commencement of each fiscal year, the City will cause to be prepared and filed with the City Clerk a budget setting forth the estimated receipts and expenditures of the System for the next succeeding fiscal year. So long as any of the Bonds are owned or insured by the Purchaser, the City Clerk, promptly upon the filing of said budget in the City Clerk's office, will mail a copy of said budget to the Purchaser of the Bonds. Said annual budget shall be prepared in accordance with the requirements of the laws of Missouri and shall contain all information that is required by such laws.

Section 808. Audits. As long as any of the Bonds are owned or insured by the Purchaser, audits shall be made at such time and in such manner as the Purchaser shall require.

If none of the Bonds are owned or insured by the Purchaser, then annually, promptly after the end of the fiscal year, the City will cause an audit to be made of the System for the preceding fiscal year by a certified public accountant or firm of certified public accountants to be employed for that purpose and paid from the Revenues. Said annual audit shall cover in reasonable detail the operation of the System during such fiscal year.

Within 30 days after the completion of each audit, a copy thereof shall be filed in the office of the City Clerk, and, if any of the Bonds are owned or insured by the Purchaser, a duplicate copy of the audit shall be mailed to the Purchaser of the Bonds. Such audits shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any user of the services of the System, any Registered Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer, user or Registered Owner.

As soon as possible after the completion of each audit, the governing body of the City shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Ordinance and the Act, the City will promptly cure such deficiency and will promptly proceed to increase the rates and charges to be charged for the use and services furnished by the System as may be necessary to adequately provide for such requirements.

Section 809. Right of Inspection. The Purchaser of the Bonds and any Registered Owner or Owners of 10% of the principal amount of the Bonds then Outstanding shall have the right at all reasonable times to inspect the System and all records, accounts and data relating thereto, and shall be furnished all such information concerning the System and the operation thereof which the Purchaser or such Registered Owner or Owners may reasonably request.

Section 810. Performance of Duties and Covenants. The City will faithfully and punctually perform all duties, covenants and obligations with respect to the operation of the System now or hereafter imposed upon the City by the Constitution and laws of the State of Missouri and by the provisions of this Ordinance.

Section 811. Consultant's Report. Upon the request of the Purchaser, but in no event more often than once every three years, the City will cause a Consultant to make an examination of and report on the condition and operations of the System, such report to include recommendations as to any changes in such operations deemed desirable. Each such report shall also make reference to any unusual or extraordinary items of maintenance and repair and any extensions or improvements that may be needed in the ensuing three-year period. A copy of each such report shall be filed in the office of the City Clerk and, upon written request, sent to the Purchaser of the Bonds or any Bondowner (at the expense of such Bondowner).

Section 812. Parity Bond Certification. The City hereby represents and covenants that the Bonds directed to be issued by this Ordinance are so issued in full compliance with the restrictions and conditions upon which the City may issue additional bonds payable out of the Net Revenues of the System and which stand on a parity with the Previously Issued Parity Bonds, as set forth in the Previously Issue Parity Ordinances, and that the Bonds herein directed to be issued are so issued on a parity in all respects with the Previously Issued Parity Bonds.

Section 813. Tax Covenants.

(a) The City covenants that (1) it will comply with all applicable provisions of the Code necessary to maintain the exclusion from federal gross income of the interest on the Bonds, and (2) it will comply with all provisions and requirements of the Federal Tax Certificate. The Mayor is hereby authorized and directed to execute the Federal Tax Certificate in a form that is approved by Bond Counsel, for and on behalf of and as the act and deed of the City. The City will also pass such other resolutions or ordinances and take such other actions as may be necessary to comply with the Code and with other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The covenants contained in this Section and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article XI** of this Ordinance or any other provision of this Ordinance, until the final Maturity of all Bonds Outstanding.

Section 814. Refinanced Bonds - When Required. The City hereby represents and covenants that it will refinance the unpaid balance, in whole or in part, of the Outstanding principal amount of the Bonds upon the request of the Purchaser if at any time it should appear to the Purchaser that the City is able and authorized by law to refinance the Bonds by obtaining a loan for such purposes from cooperatives or private sources at reasonable rates and terms.

ARTICLE IX

ADDITIONAL BONDS AND OBLIGATIONS

Section 901. Senior Lien Bonds. The City covenants and agrees that so long as any of the Bonds remain Outstanding, the City will not issue any additional bonds or incur or assume any other debt obligations appearing as liabilities on the balance sheet of the City or the System for the payment of moneys determined in accordance with generally accepted accounting principles consistently applied, including capital leases as defined by generally accepted accounting principles, payable out of the Net Revenues or any part thereof which are superior to the Bonds.

Section 902. Parity Lien Bonds and Other Obligations. The City covenants and agrees that so long as any of the Bonds remain Outstanding, it will not issue any additional bonds or other long-term obligations payable out of the Net Revenues or any part thereof which stand on a parity or equality with the Bonds unless **Section 905** hereof is complied with and the following conditions are met:

(a) The City shall not be in default in the payment of principal of or interest on any Bonds or any Parity Bonds at the time outstanding or in making any payment at the time required to be made into the respective funds and accounts created by and referred to in this Ordinance or any Parity Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default).

(b) Either of the following:

(1) The Net Revenues Available for Debt Service, as determined by a certified public accountant or firm of certified public accountants, for the fiscal year immediately preceding the issuance of additional bonds shall have been equal to at least

120% of the Average Annual Debt Service for all System Revenue Bonds of the City, including the additional bonds proposed to be issued. In determining the Net Revenues Available for Debt Service for the purpose of this subsection, such accountant(s) may adjust said Net Revenues Available for Debt Service by adding thereto, in the event the City has made any increase in rates for the use and services of the System and such increase has not been in effect during all of the fiscal year immediately preceding the issuance of additional bonds, the amount, as estimated by such accountant(s) or a Consultant, of the additional Net Revenues Available for Debt Service which would have resulted from the operation of the System during said preceding fiscal year had such rate increase been in effect for the entire period.

(2) The Net Revenues Available for Debt Service projected to be derived by the City from the operation of the System for the fiscal year immediately following the fiscal year in which the improvements to the System, the cost of which is being financed by such additional bonds, are to be in commercial operation, as determined by a Consultant, shall be equal to at least 120% of the average of the Debt Service Requirements in all fiscal years succeeding said fiscal year in which such improvements are expected to be placed in commercial operation. In determining the projected Net Revenues Available for Debt Service for the purpose of this subsection, the Consultant may adjust said projections by adding thereto any estimated increase in Net Revenues Available for Debt Service resulting from any increase in rates for the use and services of the System duly made by the City and which shall be in effect for the period of such projections which, in the opinion of the Consultant, are economically feasible and reasonably considered necessary based on projected operations of the System.

(c) So long as any of the Bonds are owned or insured by the Purchaser, any Ordinance authorizing such additional parity bonds shall contain substantially the same terms, conditions, covenants and procedures as established in this Ordinance and such Ordinance authorizing such additional revenue bonds shall acknowledge the fact that the Bonds may be called for redemption and payment prior to the Stated Maturity thereof as a requirement of the Purchaser as contained in 7 U.S.C. 1983(3), 7 C.F.R. Part 1780, and any succeeding federal laws and regulations applicable thereto.

Additional revenue bonds of the City issued under the conditions set forth in this Section shall stand on a parity with the Bonds and shall enjoy complete equality or lien on and claim against the Net Revenues with the Bonds, and the City may make equal provision for paying said bonds and the interest thereon out of the Revenue Fund and may likewise provide for the creation of reasonable debt service accounts and debt service reserve accounts for the payment of such additional bonds and the interest thereon out of moneys in the Revenue Fund.

Section 903. Junior Lien Bonds and Other Obligations. Nothing in this Section contained shall prohibit or restrict the right of the City to issue additional revenue bonds or other revenue obligations for any lawful purpose in connection with the operation of the System and benefitting the System and to provide that the principal of and interest on said revenue bonds or obligations shall be payable out of the Net Revenues of the System, provided at the time of the issuance of such additional revenue bonds or obligations **Section 905** hereof is complied with and the City is not in default in the performance of any covenant or agreement contained in this Ordinance (unless such additional revenue bonds or obligations are being issued to provide funds to cure such default), and provided further that such additional revenue bonds or obligations shall be junior and subordinate to the Bonds so that if at any

time the City shall be in default in paying either interest on or principal of the Bonds, or if the City is in default in making any payments required to be made by it under the provisions of paragraphs (a), (b) and (c) of **Section 602** of this Ordinance, the City shall make no payments of either principal of or interest on said junior and subordinate revenue bonds or obligations until said default or defaults be cured. In the event of the issuance of any such junior and subordinate revenue bonds or obligations, the City, subject to the provisions aforesaid, may make provision for paying the principal of and interest on said revenue bonds or obligations out of moneys in the Revenue Fund.

Section 904. Refunding Bonds. Subject to the continuing obligation of the City to comply with the provisions of **Section 905** hereof and with 7 U.S.C. 1983(3) and regulations issued thereunder so long as any of the Bonds are owned or insured by the Purchaser, the City shall have the right, if it shall find it desirable, without complying with the provisions of **Section 902** hereof to refund any of the Bonds under the provisions of any law then available, and the refunding bonds so issued shall enjoy complete equality of pledge with any of the Bonds which are not refunded, if any, upon the Net Revenues of the System; provided, however, that if only a portion of the Bonds are refunded and if said Bonds are refunded in such manner that the aggregate amount of principal and interest scheduled to become due on the refunding bonds in any fiscal year (taking into account scheduled mandatory redemptions) exceeds the aggregate amount of principal and interest scheduled to become due on the refunded Bonds in said fiscal year (taking into account scheduled mandatory redemptions) then said Bonds may be refunded without complying with the provisions of **Section 902** hereof only by and with the written consent of the Registered Owners of a majority in principal amount of the Bonds not refunded.

Section 905. Consent of Purchaser Required For Additional Bonds. Notwithstanding any provision in this Ordinance to the contrary, as long as any of the Bonds that remain Outstanding are owned or insured by the Purchaser, the City will not issue any additional bonds or other obligations having a claim on the Net Revenues or any part thereof without the prior written consent of the Purchaser.

ARTICLE X

DEFAULT AND REMEDIES

Section 1001. Acceleration of Maturity Upon Default. The City covenants and agrees that if it defaults in the payment of the principal of or interest on any of the Bonds as the same become due on any Bond Payment Date, or if the City or its governing body or any of the officers, agents or employees thereof fail or refuse to comply with any of the provisions of this Ordinance or of the constitution or statutes of the State of Missouri, and such default continues for a period of 60 days after written notice specifying such default has been given to the City by the Registered Owner of any Bond then Outstanding, then, at any time thereafter and while such default continues, the Registered Owners of 25% in principal amount of the Bonds then Outstanding may, by written notice to the City filed in the office of the City Clerk or delivered in person to said City Clerk, declare the principal of all Bonds then Outstanding to be due and payable immediately, and upon any such declaration given as aforesaid, all of said Bonds shall become and be immediately due and payable, anything in this Ordinance or in the Bonds contained to the contrary notwithstanding. This provision, however, is subject to the condition that if at any time after the principal of said Outstanding Bonds has been so declared to be due and payable, all arrears of interest upon all of said Bonds, except interest accrued but not yet due on such Bonds, and all arrears of principal upon all of said Bonds have been paid in full and all other defaults, if any, by the City under the provisions of this Ordinance and under the provisions of the statutes of the State of Missouri have been cured, then and in every such case the Registered Owners of a majority in principal amount of

the Bonds then Outstanding, by written notice to the City given as hereinbefore specified, may rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any rights consequent thereon.

Section 1002. Other Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Registered Owners of the Bonds, and the Registered Owner or Owners of any of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Registered Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the Constitution and laws of the State of Missouri;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds.

Section 1003. Limitation on Rights of Bondowners. No one or more Bondowners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Registered Owners of such Outstanding Bonds.

Section 1004. Remedies Cumulative. No remedy conferred herein upon the Bondowners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Registered Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Bondowner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Bondowner, then, and in every such case, the City and the Registered Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Bondowners shall continue as if no such suit, action or other proceedings had been brought or taken.

Section 1005. No Obligation to Levy Taxes. Nothing contained in this Ordinance shall be construed as imposing on the City any duty or obligation to levy any taxes either to meet any obligation incurred herein or to pay the principal of or interest on the Bonds.

ARTICLE XI

DEFEASANCE

Section 1101. Defeasance. When any or all of the Bonds or the interest payments thereon have been paid and discharged, then the requirements contained in this Ordinance and the pledge of Net Revenues made hereunder and all other rights granted hereby shall terminate with respect to the Bonds or interest payments so paid and discharged. Bonds or the interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with a commercial bank or trust company located in the State of Missouri and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or interest payments thereon, in trust for and irrevocably appropriated thereto, money and/or Defeasance Obligations which, together with the interest to be earned thereon, will be sufficient for the payment of the principal or Redemption Price of said Bonds, and/or interest to accrue on such Bonds to the Stated Maturity or Redemption Date, as the case may be, or if default in such payment shall have occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds shall be redeemed prior to the Stated Maturity thereof, (1) the City shall have elected to redeem such Bonds, and (2) either notice of such redemption shall have been given, or the City shall have given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to redeem such Bonds in compliance with **Section 302(a)** of this Ordinance. Any money and Defeasance Obligations that at any time shall be deposited with a commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds or the interest payments thereon, shall be and are hereby assigned, transferred and set over to such bank or trust company in trust for the respective Registered Owners of the Bonds, and such money shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All moneys and Defeasance Obligations deposited with such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance.

Notwithstanding any provision herein to the contrary, as long as any of the Bonds are owned or insured by the Purchaser, the City will not issue any additional revenue bonds or other obligations for the purpose of providing funds to refund all or part of the Bonds unless either (i) all of the Bonds are paid, retired and cancelled concurrently with the issuance of such refunding revenue bonds or other obligations or at the first interest and principal payment date for the Bonds occurring after the issuance of the refunding revenue bonds or other obligations, or (ii) written consent to the issuance of such refunding revenue bonds or other obligations is given by the Purchaser.

ARTICLE XII

MISCELLANEOUS PROVISIONS

Section 1201. Amendments. The rights and duties of the City and the Bondowners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect by Ordinance of the City with the written consent of the Registered Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the City Clerk, but no such modification or alteration shall:

shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

As long as any of the Bonds are owned or insured by the Purchaser, the Purchaser shall be deemed to be a Bondowner for purposes of **Article X** and **Article XII** of this Ordinance.

In determining whether the Registered Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Bondowners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Bondowners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Bondowners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.

Section 1203. Further Authority. The officers of the City, including the Mayor and City Clerk, shall be, and they hereby are, authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1204. Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 1205. Governing Law. This Ordinance shall be governed exclusively by and constructed in accordance with the applicable laws of the State of Missouri.
